The post [Guess the Artsy Nude Model and](#)

LOS CABOS, Mexico — When Adina Lopez moved back to Los Cabos, at the southern tip of Mexico's Baja California Sur, she didn't expect to find hidden treasure. After a decade abroad, living and traveling in Europe, France and the United States – and fluent in English and French – she assumed that her hometown hadn't changed. An exclusive vacation destination when she left, it was certainly still a millionaire's playground. Then she joined the Los Cabos Tourism Board and discovered the real Baja Sur. Exploring the mountains and desert, guiding tourists and absorbing the region's unique cultural h...

spotlights the potential problem with parents in sports

3 months ago 0

Published by The Philadelphia Inquirer I'm honestly embarrassed for Claudio and Danielle Reyna. I know the type of parent they are acting like. I've encountered
